

Prepare for Success!

We want your class time with your pup to be the most successful possible. Here are a few things you may want to bring with you (and a couple you will want to leave at home!)

- *Small, easy to chew treats
- *A pouch or bag that you can easily access with one hand
- *A clicker
- *A flat, non-retracting leash
- *A flat, non-chain collar or harness
- *A positive attitude!

(Leave any choke or pinch collars at home – no chain or retracting leashes either please)

***Carter Country Farm & Feed has everything you need for class.**
